MICRON Micron	LWH with opal cover	050 up to 50 cm 100 over 50 to 100 cm 150 over 100 to 150 cm 200 over 150 to 200 cm 250 over 200 to 250 cm 300 over 250 to 300 cm

With opal cover

Order code example: MICRON-LWH250

Note: standard cable feeding type A (code CAV-A). See page 110 for different feeding options.

MICRON

APPLICATIONS

The Micron aluminum profile was designed for integration purposes in staircase and furniture, in particular for applications in which installation space constraints are fundamental. Thanks to the reduced cross-section, it seamlessly fits even the smallest spaces. Micron is available only with opal cover and mounting is possible either with fastening clips or with strong adhesive tape on the back.

FEATURES

Lowest cross-section

Easy installation with fixing clips or double-sided adhesive tape

Minimal design

SPECIFICATIONS

Physical

Body material	Aluminium
Body finish	Anodized
Screen material	PMMA
Protection rating	IP20
Weight	0,10 Kg/m
Mounting	Surface with accessories
